

Galentine's Day

COLORING BOOK

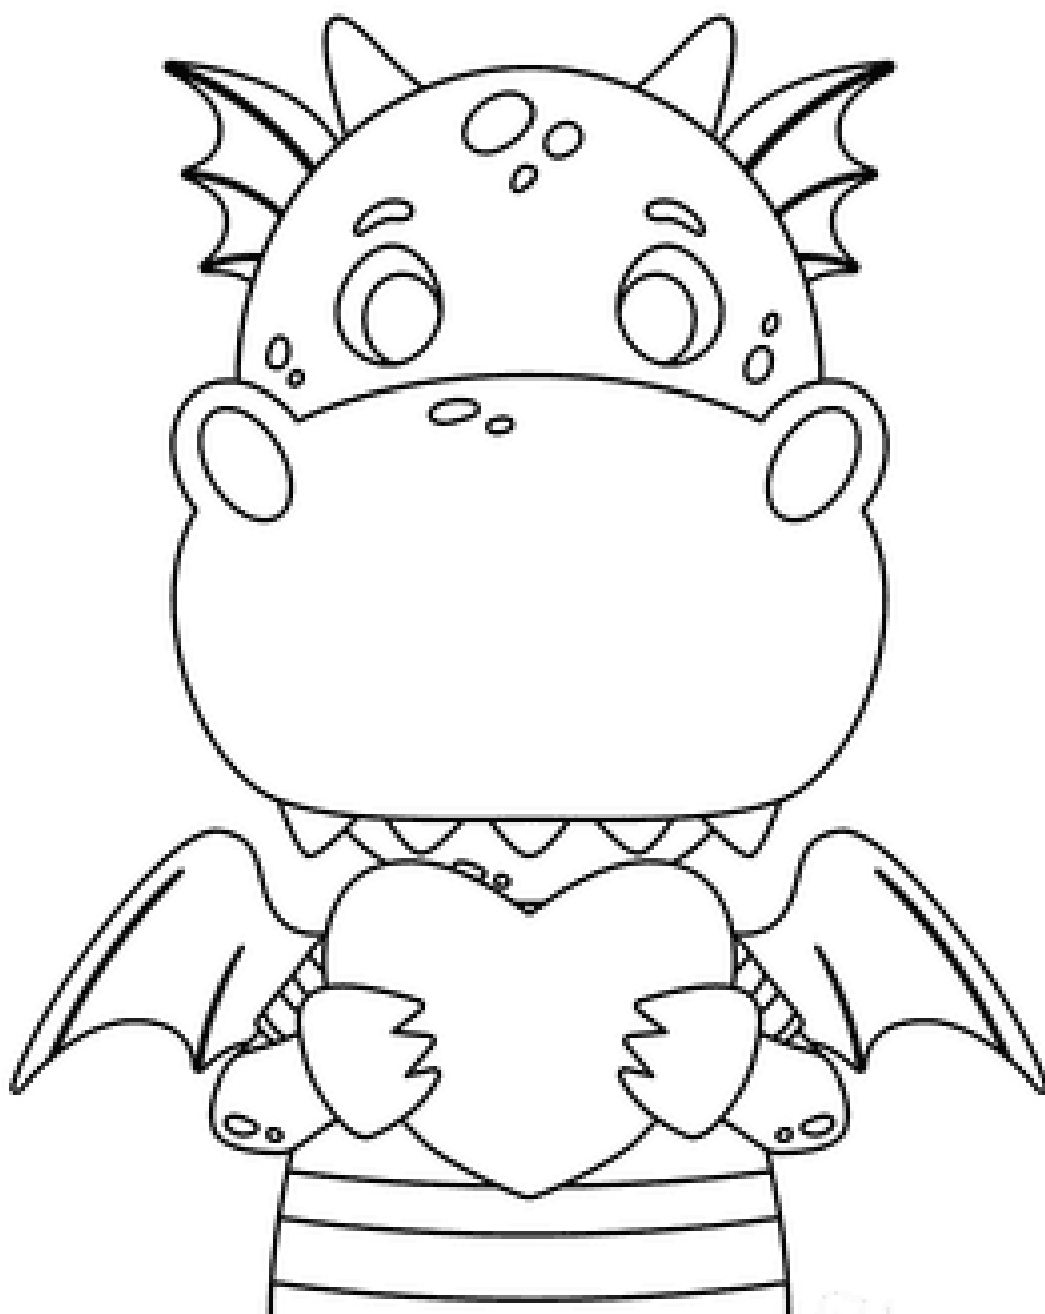

Sisters
BEFORE
Misters

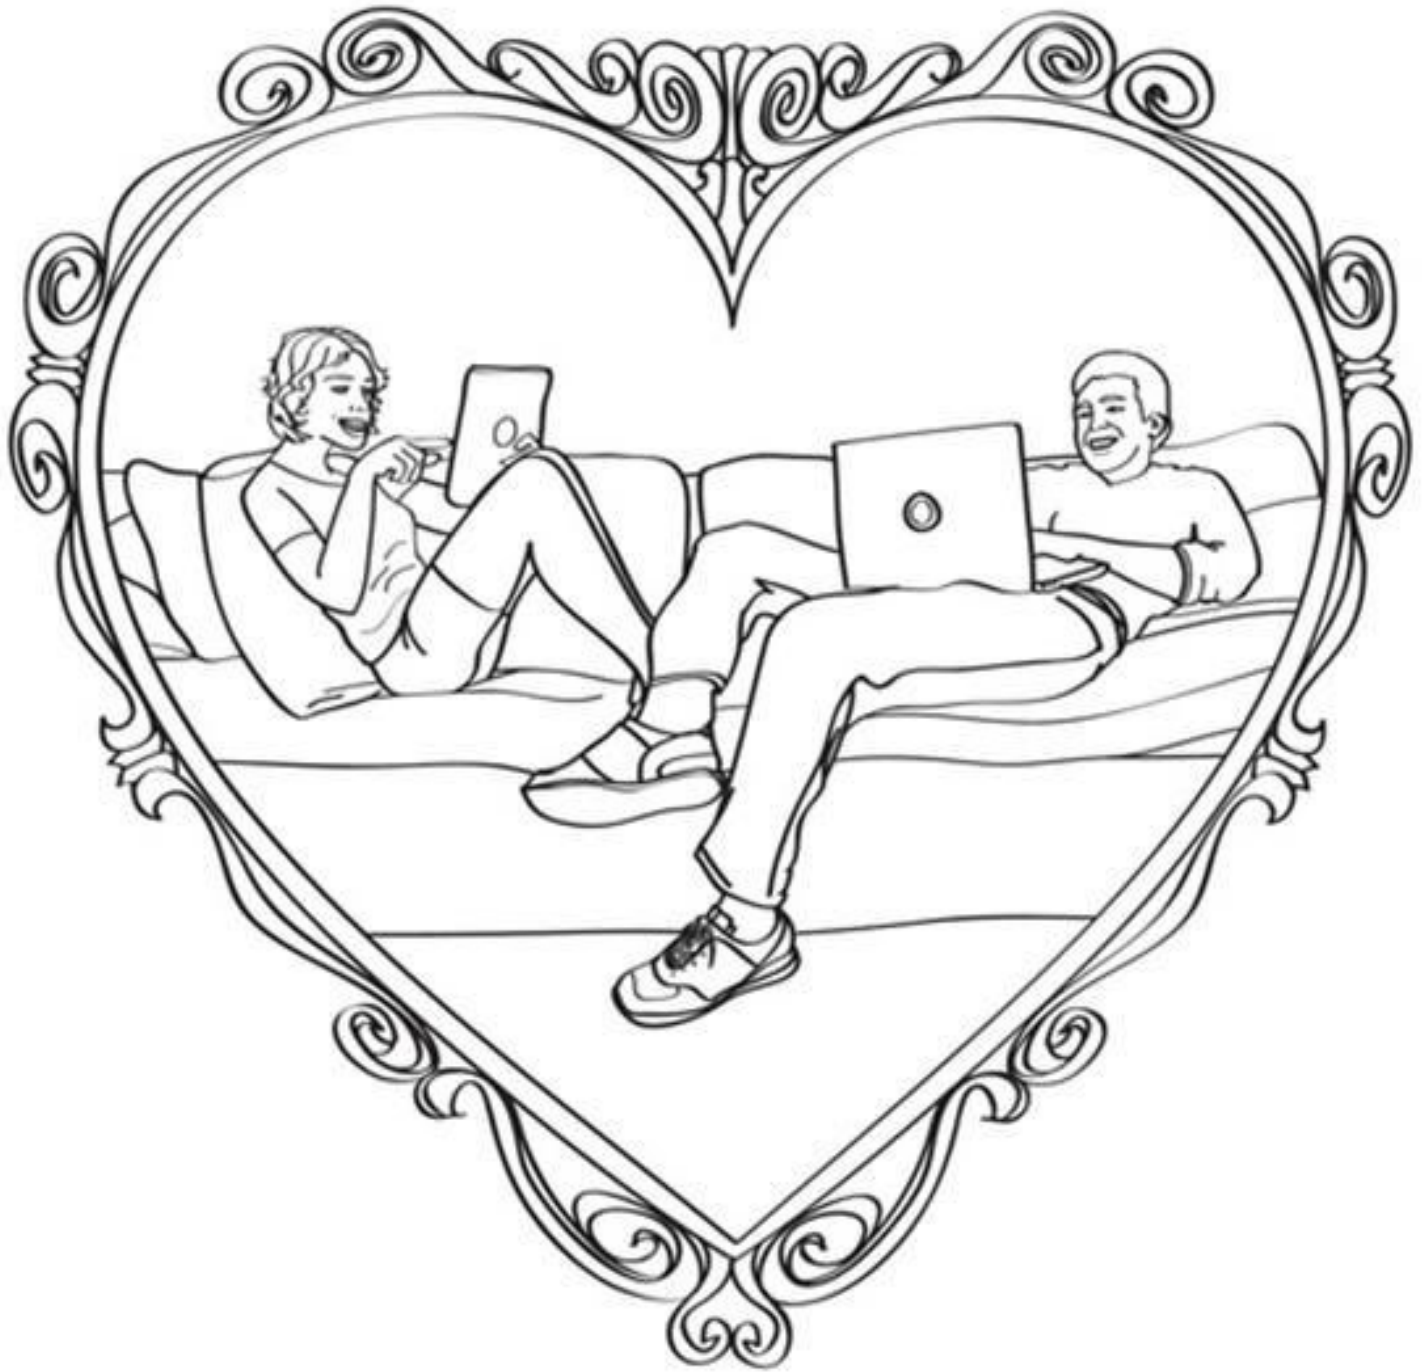

A black and white calligraphic illustration. The central text reads "Sisters BEFORE Misters" in a mix of cursive and serif fonts. The word "Sisters" is in a large, elegant cursive script. "BEFORE" is in a smaller, all-caps serif font. "Misters" is in a large, bold cursive script. The text is framed by decorative elements: a scalloped border with small dots and leaf-like shapes at the top and bottom, and a stylized leaf or banner shape on the right side.
